### **Magazines picked for local readers at the Corryong Library**

---

Did you know that your favourite magazine could be available to loan from the Corryong Library? The range of magazines stocked at the Corryong Library has just been reviewed, with a selection of new titles now available to local borrowers.

"The magazines available at the Corryong Library have been selected because they feature topics and hobbies that are popular locally," explained Cr David Wortmann, Towong Shire Mayor.

The Corryong Library currently subscribes to ABC Gardening, Australian Country, Australian Horseman, Australian Knitting, Australian Shooter, Better Homes and Gardens, Country Style, Organic Gardener, Outback and Taste.

In addition to the range of magazines that are available to borrow, library members have access to a wide selection of books, DVDs and audio books as part of a network of more than 100 libraries across Victoria.

"While you are at the library, be sure to ask library staff for a demonstration of our online library services," said Cr Wortmann. "They would be pleased to show you how to use the online service to browse from an extensive catalogue and arrange to have your selection ordered in to your local library," he said
