

## Temporary mail arrangements in Tallangatta

Regrettably, due to unexpected circumstances the Tallangatta Post Office was required to close at short notice.

Australia Post is committed to maintaining a presence in Tallangatta and is looking for a new operator to take on postal services to the community.

While there is no impact to street/roadside mail delivery, **PO Box mail** and **carded parcels** will be available to collect at the **Wodonga Post Office** on a temporary basis.

The Wodonga Post Office is located at **196-198 High Street**, Wodonga and is open:

**9am-5pm Monday to Friday**

**9am-12.30pm Saturday**

Australia Post sincerely apologises for any inconvenience this may cause and we are doing everything possible to ensure residents have ongoing access to postal services.

Further updates will be provided as new arrangements are confirmed.

In the meantime, please join Australia Post representatives at a **community meeting** to answer any queries and address any concerns from residents:

**Date:** Monday 14 March 2016

**Time:** 4.00pm-5.00pm
