* Works Manager - Any person or body that is responsible for the conducting of works in, on or under the road. (Road Management Act - Schedule 7, Clause 14)

Works Manager Responsibilities:

Principles applying to infrastructure managers and works managers:

(1) An infrastructure manager or a works manager must have regard to the principles specified in this clause in the provision of non-road infrastructure on roads.

(2) The primary purpose of a road is use by members of the public and authorised users must be managed as far as is reasonably practicable in such a way as to minimise any adverse impacts on the primary purpose.

(3) Without limiting the generality of sub-clause (2), authorised uses must be managed so as to -

a. minimise any damage to roads and road infrastructure;

b. ensure that works necessary for the provision of non-road infrastructure are conducted as quickly as practicable;

c. minimise any disruption to road users;

d. minimise any risk to the safety and property of road users and the public generally;

e. facilitate the design and installation of infrastructure which minimises any risk to the safety of road users;

f. ensure that the road and any other infrastructure is reinstated as nearly as practicable to the condition existing before the works necessary for the provision of the non-road infrastructure were conducted;

g. protect and preserve existing significant roadside vegetation and sites of biological significance within the road reserve.
