Building Bricks for Dairying Families

Towong Shire Council is delivering a new event which aims to support dairying families in the Upper Murray. *Corryong Bricks 4 Kidz* will provide an opportunity for children to participate in free facilitated Lego workshops. In addition to getting hands on, families will have the opportunity to marvel at an impressive display of Lego masterpieces created by the Albury Wodonga Lego Club, Bricks on the Border.

The event is set to take place from 10am – 4pm this Saturday 23 September at the Corryong Youth Club Hall. All Upper Murray families are invited to get involved, with dairying families particularly encouraged to head along. Whilst children play, parents and carers are invited to relax in a ‘chill-out’ zone where they can grab a sausage off the Lions Club’s BBQ and have a chat with various service representatives.

Towong Shire Council Mayor Cr David Wortmann was pleased to see the new initiative coming to fruition. “The isolation of many rural families makes it somewhat challenging for them to access and make the most of services. This event provides a great opportunity to chat face to face with representatives from organisations such as Rural Financial Services, Murray Dairy and Murray Goulburn”.

“Other organisations that will be represented on the day include Upper Murray Health and Community Services, Towong Shire Council, and Alpine Valleys Dairy Inc.

Families are welcome to drop in at any time throughout the day.

Further information can be obtained by contacting Kerissa Heritage, Towong Shire Council Economic Development Officer on 02 6071 5100 or 0428 568 156.
