Community Celebration at the Tallangatta Foreshore

Towong Shire Council in partnership with Walk to School will be hosting a 'Mad Hatters' tea party and Community Celebration on Tuesday 16 January 2018 from 9.30am.

The new and improved Tallangatta foreshore and Splash Park will be the site for the event; a great opportunity for community members to get together and enjoy the new infrastructure while participating in an array of activities.

These improvements were made possible with support from the Australian Government through the National Stronger Regions Fund and local ratepayers.

Towong Shire Council, Mayor Cr. Aaron Scales said that these foreshore works are a key milestone in the delivery of the Destination Tallangatta Project.

"As the Destination Tallangatta project progresses it has been rewarding seeing community members taking advantage of the improvements such as the new pelican climbing frame and the splash park," he said.

"We look forward to the streetscape upgrade occurring in Towong Street in 2018."

Free healthy snacks will be available while you enjoy a yoga demonstration, Indigenous art display, face painting, egg and spoon race and of course the 'Mad Hatters' tea party!

For more information, please contact Renee Carkeek, Youth Services Officer or Penelope Sell, Manager Community Services at the Tallangatta Shire Council office on (02) 6071 5100.
