# **Corryong pool upgrade opening this week**

---

The much anticipated upgrade to the Corryong Swimming Pool will be on show from Friday 24 November 3.30pm. Local residents are invited to come along enjoy the new facilities with the commencement of the swimming pool season.

A new splash park for the children, upgraded change rooms, new family change room, seating and shade (natural and infrastructure) are all key features of the swimming pool upgrade. New shade has also been established at the adjacent Corryong Skate Park. At the same time road improvements have been completed, creating two disabled parks at the entrance to the swimming pool.

"With a warm, dry summer currently being predicted, we encourage our local residents to cool-off and enjoy the facilities on offer at Council's pools," said Cr Scales, Towong Shire Mayor.

"With qualified lifeguards on hand, a new splash park and shady picnic areas, Council's pools are a fun and safe venue for families to spend time together".

This upgrade was made possible with funding under the State Government's Community Sports Infrastructure Fund – Seasonal Pools (\$200,000) and Community Shade Grants Program (\$48,495) and the Australian Government Stronger Communities Program (\$18,125). Council also contributed \$160,000 to the project.

Council will be hosting an official opening in coming weeks. Further details will be provided as arrangements are confirmed.

The Corryong Swimming Pool is open Monday to Friday 3.30pm – 7.00pm and on Saturday and Sunday 12noon to 7pm.

For more information please contact the Council Office in Corryong on (02) 6076 2160 or Tallangatta on (02) 6071 5100.
