# **Multicultural tastes of Tallangatta**

## ***Getting to know our community***

---

A community ran Tallangatta Neighbourhood House activity will be taking to the global diversity of Tallangatta for a full cultural experience in a bid to get to know our local community and celebrate the different countries represented within the township.

Cooking programs combined with cultural talks from a variety of Tallangatta's different cultures will be on show once a month from February 2018.

Italian, Sri Lankan and Russian cooking programs are just three of the tasty meals that will be on show.

Come along and celebrate our diverse community through a taste of cultured cuisine.

For more information call Lou Newman at the Tallangatta Shire Council office on (02) 6071 5100
