After School Care comes to Tallangatta

Tallangatta’s new After School Care program is up and running!

Thanks to overwhelming support from Tallangatta parents Towong Shire Council is now offering the service from the Early Years Learning Centre in Towong Street.

Local primary school students now have the opportunity to enjoy jammed packed activities, healthy afternoon teas and lots of time to talk about their school day with skilled early childhood educators.

This year enrolment numbers are looking promising with nine children already participating in the program. The children can be seen of an afternoon forming a Walking School Bus to travel to the Early Years Learning Centre from St Michael’s and Tallangatta Primary Schools. The afternoon of structured creative activities, team games, drama, crafts and time to unwind is proving a great way to end their school day.

Towong Shire Council Mayor Cr David Wortmann said, “We are so pleased to be able to offer this service to local families. It has only been possible through strong collaboration between Council, Tallangatta Primary School and St Michael’s Primary School.”

Sessions are available Monday to Friday 3.30pm to 6.00pm during school terms. Places are still available. Enrolments can be made via the Council website or by calling the Tallangatta Early Learning Centre.

Further information and bookings can be made via Council’s website or by phoning Tallangatta Early Years Learning Centre Director Jason Pearson on (02) 6071 2282.
