

Upper Murray Community Recovery Update

New website for Community Recovery Committees

Late last year, a need for CRCs to have a website to share their vision was identified.

Competing priorities and time constraints meant it was difficult for CRCs to think about websites and how they might approach an online presence to better connect with the broader community. Last week, thanks to the

communications team at Bushfire Recovery Victoria, assisted by the Upper Murray Community Recovery Hub and with input from CRCs, a new website went live.

Each of Towong Shire's 11 CRCs now has their own page on the website. To find out more about what the CRCs are doing, who is representing your area, their progress and vision, visit www.uppermurrayrecovery.com.
