

# Be part of Victoria's waste and resource recovery future

## Opportunity to be part of the North East's Waste and recycling future...don't WASTE it!

The North East Waste and Resource Recovery Group has released its Regional Waste and Resource Recovery Implementation Plan (north east implementation plan) for public consultation.

The north east implementation plan identifies what we need to do over the next 10 years to better manage our region's waste and maximise resource recovery (recycling). This is your opportunity to have a say about regional waste and resource recovery issues, needs and priorities.

Throughout May 2016, community consultation will be held in 7 local government areas across the region as well as other feedback opportunities listed on our website.

Community information sessions will be held on the following dates:

Date	Time	Venue	Council
16/May/2016	2.30-4.30pm	Bright, Council Chambers	Alpine
16/May/2016	6.30-8.30pm	Wangaratta Government Centre	Wangaratta
