The Triangles Revitalisation

Frequently Asked Questions (FAQs)

What is Council proposing to do?
Council is finalising plans to update and improve the Triangles in Tallangatta.

Why are the works necessary?
Revitalising The Triangles is one of the final stages of implementation of the Tallangatta Tomorrow Masterplan.

What has happened so far?
Community input gained from the development of the Tallangatta Tomorrow Masterplan and feedback gathered through community conversations and customer requests has informed the development of a draft concept plan for revitalising The Triangles. The draft concept has been developed to initiate conversations and ideas toward a final design.

Council is currently checking if the priorities and aspirations that have informed the development of the draft concept are still relevant to our community. Council is also asking for ideas and input into some new elements for the park.

How can I have a say?
Council is encouraging community members to provide input into the revitalisation plan via:

Survey: An online survey is available on Council’s website: www.towong.vic.gov.au. Printed copies of the survey are available from the Tallangatta library. The survey closes on Sunday 27 October.

Children and Youth Art Competition: Council is also encouraging young people to provide ideas into the project via an art competition. The competition is open to young people under 18 years who live or attend school in the Tallangatta district. Entry forms are available on Council’s website: www.towong.vic.gov.au or from the Council office. Entries close Monday 28 November. Winners will be decided by popular vote at the community workshop.

Community workshop: The community workshop will be held at 10.00am on Sunday 3 November in The Triangles. Community members will have an opportunity to have their say by considering things like:

- pathways and pavilions, seating and shade;
• updates to the toilet block;
• potential sites for the Sandy the Warhorse statue;
• possible uses for the Information Centre;
• ways to create more space for large events; and
• improving safety around the playground area.

Two draft designs will be developed following the community workshop and the community asked to provide feedback on those designs between 18 and 30 November.

**When will works begin?**

Plans will be finalised over the summer with works planned to begin in the new year and be finalised by the end of June 2020.

**How can I get more information?**

Further information is available on Council’s website: www.towong.vic.gov.au

or contact Council on (02) 6071 5100, 1300 365 222 or info@towong.vic.gov.au
