

KEY RECOMMENDATIONS

- 1

Pedestrian link
Provide a new path along the road reserve
- 2

Car parking
Develop a car park within William Street road reserve.
Remove fencing between the car park and tennis courts.
Provide additional tree and shrub planting for screening.
- 3

Tennis courts
Upgrade the tennis court surface and fencing. Review court layout to ensure compliance with standards.
- 4

Passive recreation spaces
Extend the new path to the north of the tennis courts.
Provide a mound for spectating tennis. Develop a playspace within new tree planting. Provide a picnic area with shelter, table setting and BBQ.
- 5

Tennis pavilion / CFA fire shed
Locate a new tennis pavilion (including toilets) to the west side of the fire shed, either as part of a complete new build for both, or as a separate building. Provide spectator terracing to manage grade change. BBQ and seating to be provided under cover (verandah) of the pavilion.
- 6

Pump track course
Develop a pump track north of the tennis court.
- 7

Grazing lease area
Improve shelter and shade for livestock with new tree planting. Re-align fencing to suit new development.
