1 Policy Objectives

Councillors are elected to provide leadership for the good governance of the municipal district and the local community.

The objective of this policy is to establish the resources, facilities and administrative support to be provided to Councillors of Towong Shire Council. It provides for Councillors and members of delegated committees to have out-of-pocket expenses, incurred while performing their official duties as a Councillor or a member of a delegated committee, either reimbursed or paid direct by the Council.

The policy also provides guidelines for Councillors and members of delegated committees on the process for claiming expenses and outlines the methods and standards for reporting and accountability.

2 Legislative Framework

This policy has been set out in accordance with Part 2 (Councils), Division 6 (Entitlements), Clauses 39 – 43 of the *Local Government Act 2020* (The Act).

Clause 39 – Allowances for Mayors, Deputy Mayors and Councillors

A Mayor, Deputy Mayor or a Councillor is entitled to receive from Council an allowance in accordance with a Determination of the Victorian Independent Remuneration Tribunal under the *Victorian Independent Remuneration Tribunal and Improving Parliamentary Standards Act 2019*.

A Mayor or a Deputy Mayor is not entitled to receive an allowance as a Councillor while the Mayor or Deputy Mayor is receiving an allowance as a Mayor or a Deputy Mayor.

A Council cannot pay an allowance to a Mayor, Deputy Mayor or Councillor that exceeds the amount specified in the relevant Determination of the Victorian Independent Remuneration Tribunal under that Act.

A Mayor, Deputy Mayor or Councillor may elect to receive the entire allowance to which they are entitled, or to receive a specified part of the allowance to which they are entitled or to receive no allowance.

The Councillor and Mayoral Allowance comprises two parts (Part A and Part B):

Part A

Based on revenue and population data Council is classified as a 'Category 1 Council'.

The allowance is paid in the middle of each month for the period from the fifth of that month to the fourth of the following month. Payment is made directly to each Councillor's nominated bank account.

Under Section 74 of the *Local Government Act (1989)* a Council must review and determine the level of the Councillor allowance and the Mayoral allowance within the period of six (6) months after a general election or by the next 30 June, whichever is later. The allowances determined are payable during the next four (4) financial years.

A person has a right to make a submission under Section 223 in respect of a review of allowances.

Under Section 73B the Minister must, at least once every year, review the Councillor and Mayoral allowance limits and ranges and this review may result in a finding that Councillor and Mayoral allowances be adjusted. A Council must increase Councillor and Mayoral allowances in accordance with the adjustment factor specified by the Minister in a notice published in the *Government Gazette*.

Part B

As Council is not an Eligible Local Governing Body (under the *Income Tax Assessment Act*) an amount equal to the superannuation guarantee will apply to Part A.

The superannuation guarantee rate is currently 9.5% and will rise to 10% on 1 July 2021 and then gradually to 12% on 1 July 2025.

Part B is not superannuation.

Remote Travel Allowance

A remote travel allowance is also available to provide compensation for the time spent on long distance travel by Councillors in remote areas. This allowance has a maximum limit of \$5,000 per annum (at a daily rate of \$40).

This allowance is payable to Councillors where the meeting venue is more than 50 kms from the Councillor's place of residence. The allowance must be claimed on the *Councillor or Delegated Committee Member Reimbursement of Expense Claim Form* and authorised by the Chief Executive Officer.

Clause 40 – Reimbursement of Expenses of Councillors and Members of a Delegated Committee

A Council must reimburse a Councillor or a member of a delegated committee for out-of-pocket expenses which the Council is satisfied –

- a) Are bona fide expenses;
- b) Have been reasonably incurred in the performance of the role of Councillor or member of a delegated committee; and
- c) Are reasonably necessary for the Councillor or member of a delegated committee to perform that role.

Council must provide details of all reimbursements under this Section to the Audit and Risk Committee.

Clause 41 – Council Expenses

Council must adopt and maintain an Expenses Policy in relation to the reimbursement of out-of-pocket expenses for Councillors and members of delegated committees. A policy adopted by a Council under this Section must –

- a) Specify procedures to be followed in applying for reimbursement and in reimbursing expenses;
- b) Comply with any requirements prescribed by the regulations in relation to the reimbursement of expenses;
- c) Provide for the reimbursement of childcare costs where the provision of childcare is reasonably required for a Councillor or member of a delegated committee to perform their role; and
- d) Have particular regard to expenses incurred by a Councillor who is a carer in a care relationship within the meaning of Section 4 of the *Carers Recognition Act 2012*.

Clause 42 – Resources and Facilities for the Mayor and Councillors

Council must make available to the Mayor and Councillors the resources and facilities reasonably necessary to enable them to effectively perform their role. Council must:-

- a) Consider the support that may be required by a Mayor, Deputy Mayor or Councillor because of a disability; and
- b) Have particular regard to the support that may be required by a Councillor who is a carer in a care relationship within the meaning of Section 4 of the *Carers Recognition Act 2012*.

Clause 43 – Indemnity Provision

A Council must indemnify and keep indemnified each Councillor, member of a delegated committee and member of a Community Asset Committee against all actions or claims whether arising during or after their term of office in respect of anything necessarily done, reasonably done or omitted to be done in good faith:-

- a) In the performance of a duty or a function or the exercise of a power under this Act, the regulations or a local law or any other Act; and
- b) In the reasonable belief that the act or omission was in the performance of a duty or a function or the exercise of a power under this Act, the regulations or a local law or any other Act.

3 Principles

This policy has been prepared on the basis of the following principles:-

3.1 Council Integrity

Part 6 Council Integrity – Division 1 - Improper Conduct in the Act outlines a range of actions of the Councillor or member of a Delegated Committee that would constitute misuse of position. These include the *'using of public funds or resources in a manner that is improper or unauthorised'* (Section 123). This policy provides direction and clarification to Councillors to ensure that public resources are used prudently and solely in the public interest.

3.2 Encouraging Diversity in Participation, Equity and Access

This policy encourages participation in the local government democratic process as it ensures that Councillors, in the performance of their duties:-

- Will be supported in their role; and
- Will not be financially or otherwise disadvantaged.

Reimbursement of expenses and the provision of resources/facilities/support shall be applied in a non-discriminatory and equitable manner to cater for the full participation of all Councillors in Council business and with their communities, while also recognising individual needs and circumstances. Councillors work with a wide range of constituents and need to be accessible and stay informed.

3.3 Accountability and Transparency

The Act (Section 40) provides that a Council must reimburse a Councillor or a member of a delegated committee for out of pocket expenses which the Council is satisfied:-

- Are bona fide expenses;
- Have been reasonably incurred in the performance of the role of Councillor or member of a delegated committee; and
- Are reasonably necessary for the Councillor or member of a delegated committee to perform that role.

It is not appropriate for Councils to provide for general expenses and/or allowances that are unrelated to actual expenses incurred and which could be designed to supplement Councillors' annual allowances entitlements.

Councillors shall only receive reimbursement for expenses when the expense, resource and facilities support are identified in this policy and are adequately substantiated.

The overriding principle is that the reimbursement of expenses and the details and range of benefits provided to the Mayor and Councillors by the Council should be clearly stated, fully transparent and acceptable to their local community.

3.4 Reasonableness and Appropriateness

This policy should ensure that Councillors are reimbursed adequately for expenses reasonably incurred in the performance of their role as a Councillor. It is acknowledged that incidental private use of Council resources and facilities may occur from time to time and that such incidental private use is not required to be reimbursed by the Councillor.

Substantial private use shall be reimbursed by the Councillor and is specifically addressed in Section 6.6 of this policy.

3.5 Separation

It is a principle that an expense reasonably incurred by Councillors in the performance of their duties and the provision of resources and facilities that support Councillors to perform their duties is separate to the provision of the annual Councillor Allowance. Councillors shall not be disadvantaged or asked to subsidise their expenses from the annual Councillor Allowance.

4 Duties as a Councillor or Member of a Delegated Committee

'Duties as a Councillor or member of a Delegated Committee' means duties performed by a Councillor or a member of a delegated committee that are necessary or appropriate for the purposes of achieving the objectives of a Council, having regard to any relevant Act, regulations, Ministerial guidelines or Council policies.

Duties of a Councillor or member of a delegated committee will therefore include, but not be limited to, attendance at:-

- Meetings of the Council or its delegated committees;
- Briefing sessions, workshops and civic or ceremonial functions convened or scheduled by the Council or the Mayor;
- Meetings of community groups, organisations and statutory authorities to which a Councillor or member of a delegated committee has been appointed as Council representative;
- A meeting, function or other official role as a representative of the Council, delegated committee or the Mayor; and
- Other meetings, inspections or events attended by a Councillor or member of a delegated committee in an official capacity, together with the associated research, discussions and communication.

5 Allowances for Mayors and Councillors

The Victorian Government views Councillor allowances 'not as a form of salary, but as some recognition of the contributions made by those elected to voluntary, part time roles in the community'.

The Government acknowledges the value and significance of local government Councillors – both through their skills and ability to represent and engage with their constituents and their leadership in developing solutions to the pressing social and cultural, environmental and economic challenges facing communities everywhere.

Clause 39 of the *Local Government Act 2020* (the Act) provides the framework for payment of allowances to Mayors and Councillors.

The allowance framework provides a three-level structure for allowances based on Council population and total revenue. The allowance is reviewed annually through a Determination of the Victorian Independent Remuneration Tribunal under the *Victorian Independent Remuneration Tribunal and Improving Parliamentary Standards Act 2019*. In addition to the allowance, an amount equivalent to the superannuation guarantee contribution is payable.

Details of current allowances fixed for the Mayor and Councillors of Towong Shire Council are available for public inspection on Council's website and at the Council offices.

Allowances are taxable income and are paid on the 14th day of each month. If the 14th day of the month falls on a weekend or public holiday the allowance will be paid on the business day closest to the 14th. Personal taxation implications are the responsibility of individual Councillors.

6 Resources and Facilities for the Mayor and Councillors

The following resources, facilities and support will be provided to Councillors to assist in performing their duties as a Councillor.

6.1 Home Office and Mobile Communications

All Councillors will be provided with information technology devices as deemed appropriate, including an internet data plan. Councillors will also be issued with a Towong Shire Council email address. Indicatively, the ICT resources that have been provided over the last 4 years have been:-

- An iPhone with data plan;
- An iPad with Wi-Fi to use on personal internet or hotspot from the Council provided iPhone;
- Both the iPhone and iPad have Mobile Device Management (MDM) to secure and manage the devices;

The make, model and style of the ICT devices provided will be determined by the responsible Council Officer based on current telecommunications plans and offers available to Council and in consultation with the Councillor.

Rather than being issued a Council provided mobile phone (only), a Councillor may elect to use their own personal mobile phone and claim reimbursement of call charges associated with performing their duties as a Councillor.

All equipment remains the property of Towong Shire Council and must be returned at the end of a Councillor's term of office or, if requested, during leave of absence of a Councillor.

Data Costs

Council will meet the fixed charges of the smart phone and internet services. Council will also meet the call or data costs for these services incurred for duties as a Councillor.

Usage of all ICT devices will be restricted to the Councillor to whom they have been assigned and the assigned Councillor shall be responsible for all usage incurred on the devices.

Councillors will take care to safeguard any personal or Council information stored on devices so as it cannot be accessed by other persons. All devices must be kept in secure locations when not in use.

Council policy relating to the security, maintenance and usage of ICT equipment must be adhered to.

Councillors may use Council provided devices for incidental private use. Incidental private use is defined as use that incurs costs of no more than 10% of the total monthly call and data costs.

Council will not provide or contribute to the costs of existing internet services or plans of a Councillor beyond what is set out in this policy.

Overseas Travel – Use of Equipment

Councillors must obtain written approval from the Chief Executive Officer prior to taking Council equipment on overseas travel

If approval is granted by the Chief Executive Officer, the Councillor must consult with the IT and GIS Officer to discuss the most effective travel packs to be purchased for work related usage. The co-ordination of access to international voice and data services and the cost of all calls and data usage related to overseas travel for personal reasons are the responsibility of the Councillor, not the organisation.

The Councillor will be responsible to ensure phone settings are adjusted to avoid unexpected call and data charges.

Replacement of Equipment

If any Council issued equipment needs to be replaced, for whatever reason, it shall be returned to the responsible Council Officer at the same time as the replacement equipment is issued.

Equipment Not Available for Sale

All/any equipment provided to Councillors will not be available for sale or transfer to Councillors at the cessation of the Councillors term of office.

6.2 Support (Help Desk and Training)

Support for Councillors to set up their Council provided ICT resources and day to day trouble shooting assistance is provided by Council's IT and GIS Officer.

Requests for assistance shall be made directly to the Helpdesk via helpdesk@towong.vic.gov.au.

Training in the use of IT and Communications resources provided to Councillors may be arranged on an as required basis at the Councillor's request.

6.3 Mayoral Vehicle/Transportation

The Mayor is expected to perform a range of additional duties during the course of the mayoral year. Council will support the Mayor of the day through the provision of a vehicle.

A motor vehicle is provided for the Mayor for use in carrying out Council duties. All fuel and other associated costs (e.g. servicing) are met by the Council. A fuel card is located in the vehicle for fuel purchases. The Mayor is responsible for ensuring the vehicle is kept clean.

Note 1 The use and provision of the vehicle will be in accordance with Council's Motor Vehicle Policy to the extent applicable, with the Mayor nominated as the assigned driver. The vehicle will be exempt from the car pool.

6.4 Access to Pool Car for Councillors

Councillors are offered a Council vehicle (to be kept at their residences) for use for all Council related activities. Our research and data indicates that this approach is more cost effective than paying mileage for Councillors to use their own vehicles. Councillors are encouraged to take the option of a Council vehicle.

Where a Council vehicle is not accepted, Council pool cars are offered to Councillors to carry out their Councillor duties. A log book is located in the vehicle and must be completed. A fuel card is also located in the vehicle for fuel purchases.

Councillors must book use of the vehicle with the Coordinator, Office of the Chief Executive Officer. Council's Motor Vehicle Policy outlines in detail Council's requirements in relation to the use of vehicles.

6.5 Taxi/Ride Share

Where it is not possible or convenient to use public transport or a private motor vehicle, a taxi/ride share can be used by Councillors for travel required for their official duties as a Councillor. In such circumstances the Councillor will then be required to personally pay for the use of cabs and submit a claim for reimbursement of the charges upon the supply of evidence that the charge/s was/were incurred as a result of undertaking Council related business. Travel of a private nature will not be reimbursed or paid by Council

6.6 Substantial Private Use of Council Provided Resources

Substantial private use of resources and facilities by a Councillor must be declared by the Councillor and substantial private use must be reimbursed by the Councillor.

A "Declaration of Usage of Resources" statement will be prepared each quarter by the Finance team which will specify the monthly cost of the Council provided mobile phone and internet data plan. Itemised accounts will be provided to each Councillor of their mobile phone and data accounts.

Each Councillor must inspect the “Declaration of Usage of Resources” statement, make an estimate of their private use, and declare that no more than 10% of the call charges of the Council provided mobile phone (up to a maximum monthly cost of \$20) is attributable to incidental private use and no more than 10% of the internet connection plan is attributable to private use (Note – Councillor internet plans are combined with the organisational global plans with the current monthly cost being approximately \$20 per device/service).

If a Councillor discloses incidental private use of more than 10% (or in excess of the maximum monthly cost of \$20), this shall trigger a pro rata calculation of the private use. An invoice will be generated, and the Councillor must pay the invoice within Council’s normal payment terms and conditions.

For example - The monthly mobile phone account for Councillor X is \$300 and the internet data plan for the mobile phone and Council provided laptop are \$20 respectively. Councillor X examines the call charges and acknowledges that a series of lengthy calls they made to an ill family member overseas during the month totalled \$100. This is in excess of the allowable 10% incidental use i.e. \$30 and over the \$20 maximum incidental use threshold. Councillor X declares this on the Declaration of Usage of Resources” statement which triggers the raising of an invoice for \$80 that is sent to Councillor X for payment.

7 Reimbursement of Expenses

In line with the principles underlying this policy, the reimbursement of expenses incurred while performing duties as a Councillor shall be applied in a non-discriminatory way, recognising individual needs and circumstances and ensuring a Councillor is not financially or otherwise disadvantaged.

Councillors are entitled to be reimbursed for the following expenses while performing duties as a Councillor.

7.1 Private Vehicle Use

Councillors are entitled to be reimbursed for reasonable travel expenses incurred in the use of their private vehicle (including electric vehicles) for Council purposes.

Reasonable travel expenses include travel to and from:-

- Ordinary Council Meetings, Special Council Meetings, Councillor Briefing Sessions, meetings of Committees of Council, civic functions;
- Meetings of community groups, organisations and statutory authorities to which the Councillor has been appointed the Council delegate;
- Site inspections or meetings; and
- Any meeting or other activity which the Councillor attends in performing duties as Councillor.

All travel claims will be calculated from each Councillor’s notified place of residence. All expense claims will be submitted on the *Councillor or Delegated Committee Member Reimbursement of Expense Claim Form* and the Councillor shall be reimbursed, based on the distance travelled, in accordance with rates no greater than those prescribed by the Australian Taxation Office.

Councillors that have an environmentally friendly vehicle which does not fit a standard cylinder vehicle classification are eligible for the 4 cylinder or less vehicle reimbursement classification amount.

Vehicle travel that exceeds 600km (for one event / trip in total) requires approval from the Chief Executive Officer.

7.2 Family Care

The Council will reimburse the cost of necessary expenses for childcare up to and including the age of 16 years and for the care of elderly, disabled and/or sick immediate family members of Councillors, while a Councillor is conducting Council business.

Childcare costs are not eligible for reimbursement if paid to a family member or a person who normally or regularly lives with the Councillor, except where a live-in (professional) helper such as a nanny is required to work extra time at extra expense because of the Councillor's duties.

Carer expenses may consist of:-

- Childcare centre fees;
- Hourly fees;
- Agency booking fees (if claimed); and
- Reasonable travelling expenses at rates no greater than those prescribed by the Australian Taxation Office (if claimed by the carer).

Fees that can be reimbursed are per hour (or part of an hour) rate subject to any minimum period which is part of the provider's usual terms, to a maximum hourly rate approved by the Chief Executive Officer (guided by industry rate).

Travelling expenses may cover the transport costs of the carer to and from the Councillor's residence or of the person to be cared for to and from the place of care.

Claims must be accompanied by a receipt from the care provider showing the date and time care was provided and details of the reason care was needed on each occasion. All claims shall be substantiated by an invoice or receipt or other relevant documentation provided by the caregiver.

Any claims for family care by a Councillor will be considered and have regard to the definitions and provisions of the *Carers Recognition Act 2012*.

7.3 Conferences/Training and Development

Councillors may seek approval to attend a conference(s) or complete training and development during their term. Any Councillor funded training and development should be approved consistent with Section 8.9 prior to committing to the activity, otherwise it will not be reimbursed by Council.

7.4 Attendance at Events When Performing Duties as Councillor

Councillors may seek approval from the Chief Executive Officer to attend events when performing duties as a Councillor and have these costs paid for by Council or reimbursed, as outlined in Section 8.9. Such events must be directly related to the municipality and must not

be events organised by political parties. If requested and approved by the Chief Executive Officer Council will fund the costs associated with the attendance of the Councillor's spouse/partner when they are accompanying the Councillor. The costs shall be specifically limited to the meal and or ticket associated with the relevant event.

7.5 Mobile Phone Reimbursement

Consistent with Section 6.1, Councillors may choose to use their own mobile phone and seek a reimbursement of those costs. If a Councillor elects to do so, the Councillor shall submit their mobile phone account to the Director Corporate and Organisational Development and shall itemise the call and data charges that are attributable to performing their duties as a Councillor.

7.6 General Expenditure

General expenditure claims must relate directly to the performance of duties as a Councillor. General expenditure may include such expenses as the reasonable and minor purchase of refreshments (i.e. a coffee), car parking and public transport tickets. A claim for reimbursement of general expenditure requires evidence in the form of a tax invoice including name and address of the supplier, details of the goods or services supplied and details of how the expenditure related directly to the performance of duties as a Councillor.

7.7 Submitting Claims

All claims for reimbursement must be fully substantiated and details lodged on the *Councillor or Delegated Committee Member Reimbursement of Expenses Claim Form*. The period for the lodgement of any claim must not exceed three months without written approval of the Chief Executive Officer, in response to a request in writing explaining the reason for such an extension. No claims will be permitted that exceed six (6) months and/or which do not relate to the current financial year.

7.8 Approval of Claims

Claims for reimbursement of expenses by Councillors must be approved by the Chief Executive Officer or their delegate. Mayoral expenses shall be approved jointly by the Chief Executive Officer and the Coordinator, Office of the Chief Executive Officer.

7.9 General

The following general provisions apply to out-of-pocket expenses that will be reimbursed to, or paid on behalf of, Councillors:-

- Reimbursements will only be made in respect of expenses already incurred;
- Travel must be undertaken as efficiently and by the shortest route possible;
- Where travel is by air or by other means of public transport, economy class will be the standard;
- Travel claims will only be made on the basis of the actual form of transport used;
- Expenses incurred which are not directly related to the official Council duties of a Councillor, cannot be included in the calculation of a claim for reimbursement;
- The cost of any penalties incurred for road, traffic or parking infringements will not be reimbursed;

- If a particular expense is not claimed, this cannot be offset against a claim for an additional amount of another expense;
- Council will reimburse the cost of a Councillor's partner accompanying the Councillor to civic engagements where the presence of the partner is necessary to support the business or representation needs of the Council. The engagement will normally be of a nature where other attendees will be accompanied by partners.

If another Councillor attends the function, either representing the Mayor or in an official capacity as Council representative to that particular group, any attendance charge will be paid or reimbursed by the Council.

The cost of Council representatives attending civic functions and events hosted by other Councils will be paid by the Council.

8.8 Conferences and Training

The roles and responsibilities of Councillors are wide and varied. It is important that Council identifies the training needs of Councillors and ensures that they have access to ongoing training and professional development throughout their term.

The types of training and development activities and events at which Councillors seek approval to attend, should have a direct correlation to performing the role of Councillor. Such activities could involve seminars, conferences and more formal study courses.

Council will provide a maximum of \$3,000 per annum per Councillor for Training and Development activities (See Note 1). All approved costs related to training and development activities will be recorded against the Councillors' per term allowance.

Where it is understood that a Councillor training and development activity involves related costs such as accommodation, travel or other general costs, these should be identified by a Councillor when seeking authorisation from the Chief Executive Officer.

Note 1. The Chief Executive Officer may upon application consider approving Conference attendance training and development opportunities that exceeds the \$3,000 per Councillor per annum threshold if the annual cost for the Councillor training and development is maintained within the adopted budget and the relevant Councillor(s) per term training and development budget is maintained within the established parameters.
