Your support at this event would be very much appreciated and will help to provide us with the funds needed to refurbish the Corryong & District Public Memorial Hall Inc.
Corryong & District Public Memorial Hall Inc.

We are writing seeking your support and assistance in raising funds to obtain a financial grant for the upgrade and redevelopment of our memorial hall. The hall was originally built in the 1950's by the local and surrounding communities.

The current users of the hall are:

- Electoral voting
- Deb Ball
- The Man from Snowy River Festival
- Basketball
- Indoor Bowls
- Plus other school and community functions

Over the years the hall committee have endeavoured to keep the costs to the community at a minimum. The hall now requires refurbishment and upgrades with the major items being:

- A new roof
- New electrical wiring and switchboard
- Toilet facilities to be upgraded
- Stage and sound system to be updated
- New seating
- Reform the Car Park

Due to the significant cost of these items the committee have organised the following fund raisers:

- **5th March 2016** “Raise the Roof” Byo “Rock & Roll” dance at the memorial hall.
  - A family event – Music by Joe Attana and Kissin’ Cousins. 7pm til 1am
- **26th March 2016** 9 am Easter Saturday. The memorial hall committee will supply the BBQ at the Farmers Market.
  - 1pm “Monster Auction” at the memorial hall.
- **31st March 2016** BBQ from 5pm at the memorial hall for the opening night of the Man from Snowy River Art Exhibition.

The committee are now seeking your support as follows;

- Get together with your friends and book a table to our “Raise the Roof” dance.
- Attend the Farmers Market on Easter Saturday.
- Attend / donate items for our “Monster Auction”
- Attend the opening of the Art Exhibition.

We consider this building to be a major facility of the Corryong district and seek your financial assistance and support.

Thanking you in anticipation.
